Our Mission Statement

We strive to bring the Love of Jesus into a broken world to those who struggle, and feel lonely, helpless, and abandoned. We achieve this by bringing together people who would otherwise isolate or are alone through outreach, social events, serving holiday meals, meeting physical needs, and providing emotional support.

Who Are We?

We are a group who, through our personal hardships and mistakes, have gained the ability to meet people where they are in all aspects of life. We deeply desire to share the Love of Christ, which has been a beacon for us in our darkest times, with all people regardless of belief, appearance, or social standing just as Jesus Himself came to save all peoples.

To be more concise, we are SOLD OUT to JESUS!

FOOD FOR THOUGHT

You Are Not Invisible

In a world full of noise and crowds, loneliness can feel like the deepest silence. You can be surrounded by people and still feel completely alone.

But this is what I know to be true — God sees you. Not the version of you that you present to the world. The real you. The one carrying things nobody else knows about. The one who wonders if anyone would notice if you disappeared.

He notices.

And so do we.

This ministry exists because someone once sat in that lonely place and needed a hand reaching out. We haven't forgotten what that felt like. And we're reaching out for you.

You don't have to have it together to walk through our doors. All you have to do is

show up. God will take care of the rest.

"The Lord is close to the brokenhearted and saves those who are crushed in spirit." —
Psalm 34:18

THE BLANK PAGE

A blank page is an *artist's canvas* to paint a masterpiece. It's a *sculptor's lump of clay* to mold into something magnificent. It's a place for a *writer to assemble the right words in the right order* to create an unforgettable story. All three are gifts from God.
